Monimentor | TU Delft Delft University of Technology

DUTCH DESIGN WEEK · GAME TABLE

Cloud Surfers

For families with children aged 8–12

The physical board game that brings **digital parenting** from the screen to the **kitchen table**.

At the table: Conversation without judgment

Playing with real online moments

1. **Real screenshots:** Children capture funny, tricky, or relatable online moments.
2. **Open conversation:** Game cards spark relaxed discussions about digital life.
3. **Family agreements:** Finish with a fridge-postcard of shared agreements.

TU DELFT · MASTER THESIS

Graduation Thesis Klaske Galema MSc.

TU Delft Design

MSc Strategic Product Design · TU Delft x Monimentor

Designed as **graduation research for Monimentor**: how do we break screen time taboos and foster open, curious parent-child dialogue?
